

CAPACITY DEVELOPMENT THEME

Nigel Dudley

Theme and task forces: overview

Capacity Development theme (Nigel Dudley)

- Economic Valuation (Nick Connor)
- Information Management (listed on website, but does not exist: however would like to propose a new task force on New Media)
- Law and Protected Areas (Ben Boer)
- Sustainable Financing (Frank Vorhies)
- Tourism (newly formed mandate under Anna Spencely)
- Training (reformed taskforce under Eduard Müller)

Activities 2009-2010: core theme

- **Goal 1: Building internal IUCN capacity:** integrating core WCPA products into the 'one' programme
- **Goal 2: Working with task forces:** Setting up training task force
- **Goal 3: Promoting key IUCN products and messages:** further development on categories: national implementation, marine guidelines, governance types etc
- **Goal 4: POWPA follow up:** focus on Nagoya, booklet, side event etc

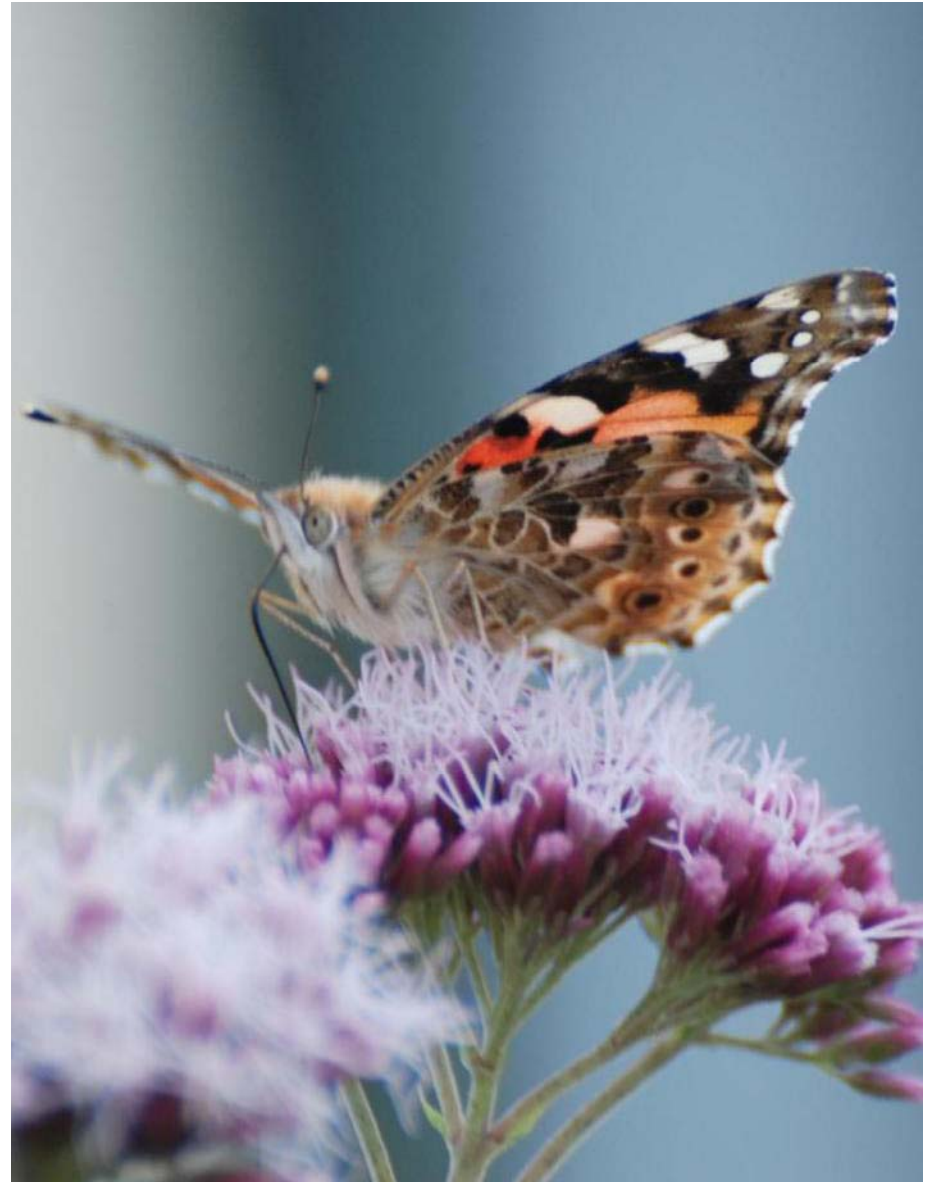

Activities 2011-2012 (and beyond)

- Support GPAP in development of a **capacity strategy**
- Continue **PoWPA support**; strategic inputs and developments
- **Categories**: complete marine supplementary guidelines; produce assignment possibly ICCA guidelines, set up task force?
- Set up **New Media** task force
- Set up: **Translation** fund (and task force?)
- Focus on **key events**: WCC, IRF and WCP
- **Work with Kathy on developing guidance for WCPA members on accessing large scale funding**
- Promote key IUCN **products and messages**
- Develop better **communications** and clarify roles between task forces under the theme and WCPA structures and membership

**Thank you
capacity
development
is something
we all do
together!**
