

## **Press Invitation**

For a Tour and Briefing Aboard  
The M/S Golden Shadow

Press attending IUCN are invited to tour the M/Y Golden Shadow, the 219 foot research vessel that will be used during the Global Reef Expedition: Science Without Borders®, a world-wide coral reef research program being undertaken by the Khaled bin Sultan Living Oceans Foundation.

The tour and open house which will provide important context for the official announcement of the Expedition by His Royal Highness Prince Khaled bin Sultan will take place on Wednesday October 8th from 13:30 to 15:30.

The Foundation, headquartered in Washington D.C., is dedicated to conservation and preservation of the living oceans with a focus on coral reef ecosystems, international partnerships and to advance the Foundation's "Science Without Borders®" program.

CAPT Philip G. Renaud, USN (ret), Executive Director, Khaled bin Sultan Living Oceans Foundation and Andrew Bruckner, Ph.D., Chief Project Scientist, Khaled bin Sultan Living Oceans Foundation will be conducting the tour and will be available for questions.

Note: Bring photo ID and Press Passes for entry to the ship.

If you have any questions please contact either Dan Bobbie or Britt Norman who will be available in the IUCN Press Centre beginning on Monday October 6, or who can be reached as follows:
