

Instructions for authors

Oral presentations

Length: 20 minutes in total (15 minutes, and 5 minutes for questions).

Language: English, Russian or Mongolian. It is recommended to use English for texts shown on the **slides** of the Power Point presentation.

The oral communications are presented in Power Point (it is recommended to save the presentation in the format of Microsoft Office 2003). The **slides** should be saved in a format with a ratio of 4/3 of height/width.

It is asked to hand over the Power Point files to the organisation at the moment of intake at the conference, or at least **3 hours** before the presentation.

Poster presentations

Size: 120 cm height and 85 cm width.

Language: English, Russian or Mongolian
